

12 DAYS OF SPRING

BUILD A: LEGO CHALLENGE

Flower

Kite

Butterfly

Rainbow

Train

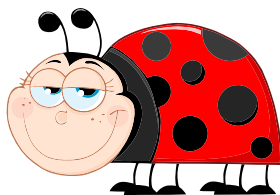

Bird House

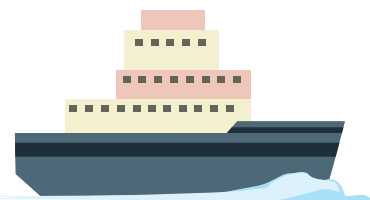

Bumblebee

Ladybug

Boat

Garden

**Something
that
flies**

Bird Nest

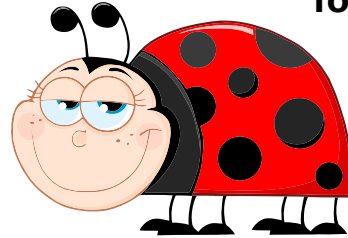

Bumblebee

Can you make a LEGO style bee with stripes and wings?

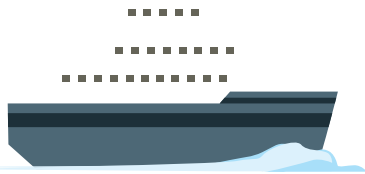

Ladybug

Make a LEGO ladybug friend for your LEGO bumblebee!

Boat

See if you can make a LEGO boat and then find out if it's seaworthy in a bowl of water!

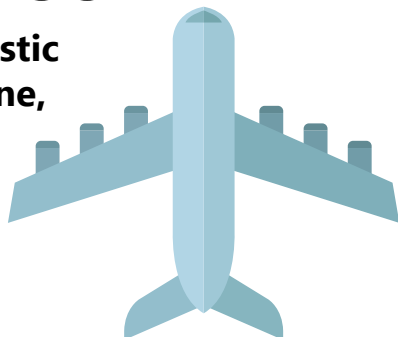

Garden

What kinds of flowers and veggies can you grow in your LEGO garden?

Something that flies

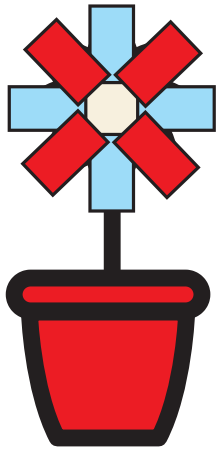

Build a fantastic flying machine, real or imaginary!

Bird Nest

Make a cozy home for mama bird to sit on her eggs!

Flower

Create just one or make a whole garden full of flowers!

Kite

Your LEGO kite might not be able to fly, but can you make it look really cool?

Butterfly

Butterflies are 'symmetrical'. That means the wings are the same on both sides! Build a symmetrical LEGO butterfly!

Rainbow

How many different ways can you build a rainbow in 10 minutes?

Train

Choo Choo! Can you make a passenger train for a LEGO mini-fig?

Bird House

Can you build a house for these lovebirds?
