

OUTDOOR ART!

PISTOL PAINTING

Have you ever tried pistol painting? Now's the chance to explore an awesome water art project with easy materials.

NATURE BRUSHES

No paintbrush? No problem! Look around at what nature can provide! Get the kiddos outdoors and collect items you find to make your own homemade nature brushes.

RAIN ART

Take your art project outdoors the next time it rains! Yes, its called rain painting! All you need are a few supplies including watercolor pencils and heavy paper.

SUN PRINTS

We all love a sunny day and it makes a perfect day to try some outdoor STEAM with these LEGO construction paper sun prints.

PUFFY SIDEWALK PAINT

You have to add making sidewalk paint to your list of things to do this season.

ICE CUBE PAINTING

Hot summer fun with super cool and colorful ice cube painting! Kiddos of all ages will enjoy this neat art process using ice cubes!

BUBBLE ART

Can you paint a masterpiece with bubbles? Of course you can, if you mix up your own bubble paint and grab a bubble wand.
