

# THE SCREAM

This project inspired by Norwegian artist Edvard Munch is a fun way to experience art with textiles.

## INSTRUCTIONS

**STEP 1:** Print the Scream template.

**STEP 2:** Glue pieces of yarn onto the template in any design you like.

**STEP 3:** Trim any excess yarn. (It's easier to trim the yarn once the piece is dry.)

**STEP 4:** Cut out the design and glue to a piece of card stock. Trim.

\*\* Note: You can also use other mediums for this piece, such as markers, oil pastels, or crayons.

## YARN ART

Edvard Munch was a famous artist from Norway who painted pictures that showed strong feelings and emotions. One of his most famous paintings is called "The Scream," where a person looks really scared and sad. He liked to use bright colors and make paintings that made people think about how they felt inside. His art helps us understand our feelings better, and he is still remembered as a special artist today.
