

CHRISTMAS

WOULD YOU RATHER?

Here are 25 Christmas-themed "Would You Rather" questions with a science twist:

Would you rather have a gift that allows you to control the weather for one day or a gift that lets you teleport to any place instantly?

Would you rather have a Christmas feast featuring dishes from all around the world or a feast made entirely of Christmas-themed foods?

Would you rather have a Christmas tree that produces wrapped presents every day or a tree that grows candy canes?

Would you rather receive a magic nutcracker that brings your toys to life or a magic ornament that grants you the ability to fly?

Would you rather spend Christmas in a cozy cabin in the snowy mountains or on a tropical island with palm trees and Christmas coconuts?

Would you rather have a Santa Claus that can shrink down to fit through any chimney or a Santa Claus that can instantly visit every house in the world?

Would you rather have a magical snowfall that creates colorful patterns on the ground or one that plays your favorite Christmas songs?

Would you rather spend a day helping elves make toys in Santa's workshop or helping scientists conduct Christmas-themed experiments in a lab?

Would you rather have a Christmas wreath that emits pleasant scents or one that twinkles with small LED lights?

Would you rather have a Christmas-themed amusement park with rides and attractions or a Christmas zoo featuring festive animals from around the world?

CHRISTMAS

WOULD YOU RATHER?

Would you rather receive a telescope to explore the stars or a microscope to see tiny Christmas creatures?
