KUSAMA'S PUMPKINS

Yayoi Kusama is a famous Japanese artist known for her colorful art filled with dots, patterns, and bright shapes. She became connected with the ideas of Pop Art, which used bold colors and images from everyday life to make art fun and eye-catching. Kusama often covers rooms, sculptures, and paintings with repeating polka dots to create playful worlds that feel almost endless. Her art invites people to step inside and feel surrounded by color, pattern, and imagination.
